WAKEFIELD PUBLIC LIBRARY

To the Selectmen of Town of Wakefield,
Sanbornville, N. H.

Dear Sirs:

Following is my report for year ending June
30, 1940:

Fiction circulation	3892
Non-fiction	605
Magazines	1269

5766

We have 372 borrowers and have added 56 new books. These have been high standard fiction, non-fiction, that is, biography, travel, poetry and philosophy. On the reading table we have the usual magazines. Dr. Paul continues to give "Reader's Digest" and she also gave four books.

Mr. and Mrs. John Roberts give Saturday Evening Post, Country Gentleman and Pathfinder. Mrs. Mary Dwinell gave "My Son! My Son!" Mrs. Grier gave several numbers of "Yankee" and also current numbers of "Nature" magazine. The late Mr. H. C. Kennett gave a very good book about Henry Ford.

A little table and three chairs were given by Mrs. Dow for the children's corner. The bookmobile still calls as usual and leaves books that are much enjoyed by many patrons of the library.

Respectfully,

Ruth E. Tuttle, Librarian

GAFNEY LIBRARY

Gafney Library has been most fortunate this year in having the Bookmobile leave books for its readers to enjoy. The Primary School in the village has also been loaned books from this traveling library and it is with keen interest that these books are read. Mrs.

Van Dyke has donated a goodly number of books that have been catalogued. The librarian and the friends of the library have appreciated this reading material. Our reading tables are supplied with magazines and papers by our interested townspeople.

If anyone has magazines that they would like to give, please bring them to the library or notify the librarian and they will be collected.

The library has been open three afternoons and evenings a week for the past year. Mrs. Marjorie Tessier and Mrs. Beatrice Corson have been the assistants.

The circulation for the twelve months ending the first of February was 5640, the number of books catalogued 60.

SUPERINTENDENT'S REPORT

To the School Board of Wakefield:

I herewith submit my third annual report as superintendent of schools.

The unemployment situation in the country is tragic. Allegedly there are 10,000,000 unemployed, 4,000,000 being young persons between sixteen and twenty-four years of age. Disappointed youth has the greatest right to complain. Free government is on trial today in the opportunity and faith in the future that it offers to youth. Unemployed youth is the soil on which dictatorships grow to power.

It would be much to the point to introduce something of Manual and Domestic Arts in our grammar schools, seeking to train the hand as well as the mind.

An excellent corps of teachers is doing good work. On account of the smaller number of children in Sanbornville, the number of teachers has been reduced by

one. Only grades VI to VIII are now taught in the Grammar School building, the fifth grade remaining in the Primary building.

A large number of pupils go from the grammar school to surrounding high schools where they are doing good work. The number in the fall was as follows:

Rochester High School	47
Nute High School	9
Farmington High School	1

The health work is in care of Mrs. Irene Jones, the Red Cross nurse. Her school report is included in the Red Cross report.

School property is still kept in good condition by the wise expenditures of the school board. A new boiler has been installed at Sanbornville Primary School. Now that the public water system has become established, provision should be made to install running water and flush toilets in the Grammar School building. It would add much to the attractiveness of the town if the school yards could all be beautified with shrubbery. Many summer visitors would appreciate this, and children would profit by the artistic beauty. Work of this kind is progressing at the Union School.

Visual education has become an established part of the school program. "Daniel Boone", "The Frontier Woman", "The Covered Wagon", "Gateway to the West", "Old Scrooge", "Posture" and a safety reel have been used.
